When You Build a Kynd Kit - The Cycle of Impact

Tips for Building Your Kit

Helpful Tip for Building Your Kynd Kit

- Avoid politics and religion entirely.
- Use appropriate humor.
- Can't think of what to write, draw a picture!
- Use words of affirmation!
- Place a piece of paper in any canvas bag before drawing on the outside. This way, the marker will not bleed through the other side of the bag.
- Please keep your designs gender-neutral, inclusive, and age-appropriate.

STEP 3 OF 12

Cancer Treatment Comfort Kit [Max]

Before You Build

We have included a list of items in your chemo care kits that could help a patient before, during, and after treatment. Each person reacts differently to treatments, so we have provided a variety of items that a loved one might need and want during treatments.

“What can I do to help?” Cancer caregivers – family and friends of cancer patients – want to provide meaningful support but oftentimes are at a loss for what to say or do. In fact, there are a lot of different things you can do to help your loved one through chemotherapy

or “chemo” and other treatments.

STEP 4 OF 12

Write a Note to the Recipient and Decorate the Envelope

Write a card and decorate the envelope using the enclosed materials. Express your encouragement and include a hopeful message.

Please ensure your message is **age-appropriate** and **avoids references to religion or politics**.

STEP 5 OF 12

DIY Tote Bag

Decorate the Canvas Tote

Decorate the canvas tote to make it fun and colorful! Tip: place a piece of paper in the tote before decorating. This will prevent the marker from bleeding through the tote.

Before

After

Surprise Kyndness Notebook

Decorate the outside of the journal with a picture or uplifting message. Use random pages in the journal to write short, uplifting messages, draw small, colorful images, or create fun writing prompts for the recipient.

After

STEP 7 OF 12

Decorate the Playing Cards

Write encouraging messages, affirmations, jokes, or pictures on the **faces** of the playing cards for players to see when they are playing a card game.

Before

After

Worry Stone

Worry stones are smooth, polished rocks used for relaxation or anxiety relief to help one feel grounded. The stone is meant to be kept in one's pocket. The physical act of massaging a worry stone for several minutes is proven to provide therapeutic & psychological benefits that help soothe your nervous system, reduce stress and anxiety, and help clear your mind so you can focus and think clearly.

On one side of the drawstring bag write an inspirational or calming word. Examples: hope, love, grow, breathe, dream, courage, wonder.

Tip: Place a piece of paper or cardboard in the bag before decorating to prevent the marker from bleeding through.

Before

After

Affirmation Notebook

DIY Affirmations

Find the mini affirmation notebook in your kit. Decorate the front cover with drawings, stickers, or a positive message. Then, open it up and write 3–6 affirmations inside—more if you'd like! These can be encouraging words, self-love reminders, or anything that lifts the spirit.

Do you still have affirmation cards in your kit? If your kit includes affirmation cards instead of a notebook, go ahead and write a special affirmation on each card.
