When You Build a Kynd Kit - The Cycle of Impact

Tips for Building Your Kit

Helpful Tip for Building Your Kynd Kit

- Avoid politics and religion entirely.
- Use appropriate humor.
- Can't think of what to write, draw a picture!
- Use words of affirmation!
- Place a piece of paper in any canvas bag before drawing on the outside. This way, the marker will not bleed through the other side of the bag.
- Please keep your designs gender-neutral, inclusive, and age-appropriate.

Cold Care Kit for the Unhoused [Classic]

Before You Build

About the Recipient

There are an estimated 582,462 people in the United States experiencing homelessness on a given night, according to the most recent national point-in-time estimate. This represents a rate of approximately 18 people experiencing homelessness per 10,000 people in the general population.

For people experiencing homelessness, the cold weather presents many challenges. This kit is designed to build cold care kits to hand out to people who could use them. The most basic needs can make a world of difference to those experiencing homelessness. By making a cold care kit you can impact someone with a meaningful, thoughtful action.

STEP 4 OF 9

Decorate the Bag

Decorate the kraft bag(s). This is what the final kit is distributed in, so try to make this fun and colorful for the recipient to open.

Please note: we are currently transitioning from plastic ziplock bags to kraft bags. Some kits may still include the plastic bag for you to decorate while we complete this transition.
