When You Build a Kynd Kit - The Cycle of Impact

Tips for Building Your Kit

Helpful Tip for Building Your Kynd Kit

- Avoid politics and religion entirely.
- Use appropriate humor.
- Can't think of what to write, draw a picture!
- Use words of affirmation!
- Place a piece of paper in any canvas bag before drawing on the outside. This way, the marker will not bleed through the other side of the bag.
- Please keep your designs gender-neutral, inclusive, and age-appropriate.

Foster Youth Activity Bag [+]

Before You Build

Foster care is meant to provide safe, temporary living arrangements and support services for children who have been removed from their families due to maltreatment, lack of safety or inadequate care. In 2021, 203,770 children under 18 entered foster care in the United States, a rate of 3 per 1,000. Kids ages 1 to 5 make up the largest share (29%) of children entering care.

These kits will be gifted to children involved with Advocates for Children at CASA. CASA stands for Court Appointed Special Advocates. These community volunteers, or CASAs, are trained to advocate on behalf of children who are involved in the child welfare system as a result of abuse or neglect. Most of these kids are in out-of-home placements such as foster care, group homes, or kinship care.

Create a fun and interactive activity kit for CASA volunteers to take to the children as they wait for their court hearing, visit with their parents in a supervised setting, or to just have some fun with their CASA volunteer.

STEP 4 OF 12

Write a Note to the Recipient and Decorate the Envelope

Write a card and decorate the envelope using the enclosed materials. Express your encouragement and include a hopeful message.

Please ensure your message is **age-appropriate** and **avoids references to religion or politics**.

DIY Jigsaw Puzzle

Start with the puzzle assembled. Decorate the whole puzzle, filling it with color or messaging from edge to edge. The small sorting envelope will hold the pieces of the completed puzzle. Decorate one side of the envelope with the same image or wording as the puzzle. Take the puzzle apart and put it in the envelope.

After

Decorate the Playing Cards

Write encouraging messages, affirmations, jokes, or pictures on the **faces** of the playing cards for players to see when they are playing a card game.

STEP 7 OF 12

Luggage Tag

Cut one of the blank cards to fit the luggage tag. Write an encouraging message, put it inside the luggage tag, and attach it to the outside of the backpack.

Affirmation Notebook

DIY Affirmations

Find the mini affirmation notebook in your kit. Decorate the front cover with drawings, stickers, or a positive message. Then, open it up and write 3–6 affirmations inside—more if you'd like! These can be encouraging words, self-love reminders, or anything that lifts the spirit.

Do you still have affirmation cards in your kit? If your kit includes affirmation cards instead of a notebook, go ahead and write a special affirmation on each card.
