When You Build a Kynd Kit - The Cycle of Impact

Tips for Building Your Kit

Helpful Tip for Building Your Kynd Kit

- Avoid politics and religion entirely.
- Use appropriate humor.
- Can't think of what to write, draw a picture!
- Use words of affirmation!
- Place a piece of paper in any canvas bag before drawing on the outside. This way, the marker will not bleed through the other side of the bag.
- Please keep your designs gender-neutral, inclusive, and age-appropriate.

STEP 3 OF 10

Infertility Support Care Package [Classic]

Before You Build

The infertility journey can be deeply personal, emotional, and often isolating. Many individuals and families face heartbreak, uncertainty, and grief while longing for support and understanding.

This Kynd Kit was created in partnership with someone who has personally experienced infertility, along with the Hope for Fertility Foundation. It includes thoughtful items to offer

comfort, care, and a reminder that no one should have to walk this journey alone.

STEP 4 OF 10

Decorate the Bag

Decorate the kraft bag(s). This is what the final kit is distributed in, so try to make this fun and colorful for the recipient to open.

Please note: we are currently transitioning from plastic ziplock bags to kraft bags. Some kits may still include the plastic bag for you to decorate while we complete this transition.
