When You Build a Kynd Kit - The Cycle of Impact

Tips for Building Your Kit

Helpful Tip for Building Your Kynd Kit

- Avoid politics and religion entirely.
- Use appropriate humor.
- Can't think of what to write, draw a picture!
- Use words of affirmation!
- Place a piece of paper in any canvas bag before drawing on the outside. This way, the marker will not bleed through the other side of the bag.
- Please keep your designs gender-neutral, inclusive, and age-appropriate.

Senior Care Package [Classic]

Before You Build

About the Recipient

Older adults are at increased risk for loneliness and social isolation because they are more likely to face factors such as living alone, the loss of family or friends, chronic illness, and hearing loss.

Nearly one-fourth of adults aged 65 and older are considered to be socially isolated, which can lead to an increased risk of dementia, heart disease, and increased risk of strokes.

These kits are designed for the volunteer to create a card and care package for a senior citizen living in assisted living or living alone.

Everyone loves to be surprised by an unexpected gift, especially senior citizens who are living alone or in assisted living. Even the smallest gifts can brighten their spirits and make them feel loved and remembered.

STEP 4 OF 11

Write a Note to the Recipient and Decorate the Envelope

Write a card and decorate the envelope using the enclosed materials. Express your encouragement and include a hopeful message.

Please ensure your message is **age-appropriate** and **avoids references to religion or politics**.

Decorate the Bag

Decorate the kraft bag(s). This is what the final kit is distributed in, so try to make this fun and colorful for the recipient to open.

Please note: we are currently transitioning from plastic ziplock bags to kraft bags. Some kits may still include the plastic bag for you to decorate while we complete this transition.
