When You Build a Kynd Kit - The Cycle of Impact

Tips for Building Your Kit

Helpful Tip for Building Your Kynd Kit

- Avoid politics and religion entirely.
- Use appropriate humor.
- Can't think of what to write, draw a picture!
- Use words of affirmation!
- Place a piece of paper in any canvas bag before drawing on the outside. This way, the marker will not bleed through the other side of the bag.
- Please keep your designs gender-neutral, inclusive, and age-appropriate.

Before You Build

There are an estimated 582,462 people in the United States experiencing homelessness on a given night, according to the most recent national point-in-time estimate. This represents a rate of approximately 18 people experiencing homelessness per 10,000 people in the general population.

The most basic needs can make a world of difference to those experiencing homelessness. By making a dignity bag you can impact someone with meaningful, thoughtful action.

Write a Note to the Recipient and Decorate the Envelope
